SUN to TABLE

Holiday Harvest

A Solar-Grown Dinner

Join Solar Sisters and Sun to Table for a holiday gathering on December 16 in Washington, DC, featuring solar-grown food and drinks. This event will bring 40 guests together for an evening of good food, conversation, and connection while showcasing the relationship between solar energy and agriculture.

Become a Sponsor

Support a shared table and a memorable celebration as a Holiday Harvest sponsor. Your sponsorship will help bring this gathering to life and put the possibilities of solar-grown food and drinks at the center of the evening.

It's an opportunity to connect your organization with a distinctive event that celebrates solar energy, agriculture, and community.

Dinner Sponsor: $2,500

Deadline: December 4

Limited sponsorship opportunities are available
